**DELOITTE FAS'S REQUESTED FEES AND REIMBURSEMENT OF EXPENSES
SHOULD BE ALLOWED BY THIS COURT**

27. Section 330 provides that a court may award a professional employed under section 327 of the Bankruptcy Code “reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1). Section 330 sets forth the criteria for the award of compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (e) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

28. In the instant case, Deloitte FAS respectfully submits that the services for which it seeks compensation in this Final Application Period were necessary for and beneficial to the Committee and were performed economically, effectively, and efficiently. Deloitte FAS further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Committee and all parties-in-interest. Further, in accordance with the factors enumerated in section 330 of the Bankruptcy Code, the amount of fees requested is fair and reasonable given: (i) the complexity of these cases; (ii) the time expended; (iii) the nature and extent of the services rendered; (iv) the value of such services; and (v) the costs of comparable services other than in a case under the Bankruptcy Code. Accordingly, the approval of the compensation and expense reimbursement sought herein is warranted.

29. Finally, as set forth in Exhibit C attached hereto, the undersigned representative of Deloitte FAS certifies that Deloitte FAS has reviewed the requirements of rule 2016-1 of the Local Rules and that the Final Fee Application substantially complies with that Local Rule. To the extent that the Final Fee Application does not comply in all respects with the requirements of Local Rule 2016-1, Deloitte FAS believes that such deviations are not material and respectfully requests that any such requirement be waived.

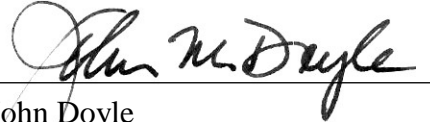

WHEREFORE, Deloitte FAS respectfully requests that the Court enter an order:

(i) granting the allowance, on a final basis, of compensation for professional services rendered to the Committee during the Final Application Period in the amount of \$873,991.00 (includes a voluntary discount of \$6,165.50 for professionals who performed under two hours of services) which represents 100% of the total compensation for professional services rendered during the Final Application Period; (ii) granting reimbursement, on a final basis, of \$1,096.03 for 100% of the actual and necessary costs and expenses incurred by Deloitte FAS in these cases during the Final Application Period; (iii) authorize and direct the Debtors to pay such amounts to Deloitte FAS to the extent not already paid; and (iv) grant such other and further relief as is just and proper.
